Join us June 2nd in celebrating the completion of 100 miles of continuous paved trails along the Wasatch Front! As part of this Wasatch Front Regional Council (WFRC) event, the City is hosting its own National Trails Day Event! <https://americanhiking.org/national-trails-day/>. NSL will be a stop for the Golden Spoke 100-mile riders with water and refreshments, and from 10 am - 1 pm, the City, along with the Davis Co. Health Dept., will be hosting a kids bike safety rodeo, bike helmet safety check/fitting, and kids helmets for sale at a reduced cost of \$10. Bicycle vendors and clubs will also be on hand with bike demos and club information.

City and County representatives will be available to answer questions about access to local trails systems, available maps, proper trail use, and good stewardship of this great recreation asset in our community.

Residents are encouraged to attend and ride a section of the trail with their city and county elected officials. More information about the Golden Spoke Event info: <http://wfrc.org/programs/active-transportation/golden-spoke/>

This is a fun family event and we invite all that love the outdoors and trails to come celebrate with us!

## YOUTH CITY COUNCIL

As the school year comes to an end so does the 2017-18 Youth City Council's term. We have had a great year lead by a great Youth Executive Committee.

The advisors want to recognize these youth and give them a big thanks for their hard work and exemplary service!

Nathan Jensen - Youth Mayor  
Abby Ebert - Youth City Manager  
Sarah Drinkall - Service Chair  
Josh Horrocks - Publicity Chair  
Gavin Tobin - Activities Chair  
Cameron Marx - Treasurer  
Grace Bronson - Recorder

These youth help plan weekly activities and service projects and then lead the entire YCC each week. Without them the Youth Council wouldn't function.

We are also sad to see advisors Matthew and Leah Thacker leave as they will be moving. They have been a great strength and brought valuable insight.

The YCC is excited for the summer as we get involved with events including the 5K, Festival of Speed, the July 3rd fireworks, as well as our volunteer work at the Bountiful Food Pantry. If you would like to join the Youth Council, applications can be found at [www.nslcity.org](http://www.nslcity.org) or contact Councilman James Hood. [james.hood@nslcity.org](mailto:james.hood@nslcity.org).

## CONSTRUCTION UPDATE

• Eaglepointe Estates Auxiliary Storm Drain – Work has begun to install a new drainage pipe to handle storm water runoff generated by the Eaglepointe Estates neighborhood. The pipe will be mostly installed on undeveloped City property but will impact roadway traffic where it joins the existing storm drain system at the intersections of Eagleridge Drive with Valley View Drive, and Eagleridge Drive with Cynthia Way.

Eagleridge Drive is planned to be closed just east of Valley View Drive beginning at 6:00 a.m. on Saturday June 2nd, and will reopen at 10:00 p.m. on Sunday June 3rd. The road will also be open to traffic during the night. Drivers will be required to follow posted detour around temporary closure. Please be on the lookout for traffic notifications as well as construction personnel and restricted traffic patterns along Eagleridge Drive.

• I-215 Interchange Reconstruction and Redwood Road Expansion – The Utah Department of Transportation is continuing its work along Redwood Road south of Center Street throughout the summer. The final product will be a completely redesigned interchange with I-215, a widened Redwood Road, and an improved intersection with Center Street. Traffic lanes and restrictions will change from week to week as the project progresses, so please be aware of temporary signs and other traffic control devices while travelling through the work zone. For more information, please visit [www.udot.utah.gov/ddinsl](http://www.udot.utah.gov/ddinsl).

• Street and Trail Preservations – Beginning in mid-June, several streets and pathways in the City will receive asphalt preservation surface treatments. Affected residents and trail users will be notified in advance so as to be mini-

mally inconvenienced by closures and detours (usually lasting no more than 24 hours).

• 130 East Street Reconstruction – This road will be under construction throughout May and June of this year. When completed, it will provide all new curb and gutter, sidewalk, decorative concrete parkstrip, and asphalt roadway between Center Street and Orchard Drive.

• Center Street Closure – The Union Pacific Railroad is performing maintenance on railroad crossing panels located at 200 West and Center Street on Sunday May 20th. Center Street will be closed to through traffic for the duration of the work day.
