EASTER EGG DASH

The NSL Youth City Council has been busily preparing and filling Easter Eggs for the annual North Salt Lake Easter Egg Dash! This fun family event begins promptly at **9:00 am** on **Saturday April 20th**. Don't be late; it's short and you'll miss it!

Age group divisions: 18 months to 3 yrs, 4 - 6 yrs, 7 - 9 yrs, 10 - 12 yrs, and a group for those with special needs!

Come early and bring your own baskets. Also, THANK YOU to the City and local businesses who donated items to fill the eggs!

COMMUNITY GARDEN

Do you want a garden? No room for one? NSL Community Garden plots are available to rent!

Previous year's renters may reserve now, and new renters beginning April 1st.

Contact Deena at 801-335-8721 to reserve your plot.

The garden is located on the corner of Center Street and Orchard Drive. NSL residents pay only \$10 for a 4x4 box and \$20 for a 4x8 box. Boxes are planted by you and watered by the City.

SENIOR LUNCH

It's time again for the Senior Lunch Bunch get together on Wednesday, April 10th at 11:00 am!

In addition to lunch, we have a special guest coming to teach us how to keep moving while having fun and doing it to music. You won't want to miss this!

Bring your own sandwich for lunch; pickles and chips will be furnished by the City. Lee's Market will provide a delicious cake for us to enjoy....As always, thank you!!

Bring your friends as well as a small gift for Bingo. Hope to see you there!

COMMUNITY

SOUTH DAVIS COUNTY ACTIVE TRANSPORTATION PLAN

Bountiful, Centerville, and North Salt Lake are creating an **Active Transportation Plan** to shape the future of bicycling and walking throughout South Davis County.

The Plan will incorporate an analysis of existing conditions for walking and bicycling, input from community residents (that's you!) and stakeholder agencies and organizations, as well as best practices in bicycle and pedestrian design and programming.

Please visit our project website to share your thoughts!

FLOOD SEASON

Flood season is upon us. Utah is expecting a wet spring and higher chances of flooding. Are you prepared?

You may think you are already protected against flood damage, but you're probably not. Flooding is the most common natural disaster in Utah, yet most homeowners and renters aren't properly covered.

Get to know the facts about flood insurance and get protected. Remember it takes 30 days for a policy to go into effect.

get the **FLOOD FACTS**

know the **RISKS**

- Flooding is unpredictable. It can impact anyone—whether your property is inside or outside of the high-risk flood area.
- You do not need to live near water to experience flooding.
- Floods are the most common and costly natural disaster in the U.S.
- More than seventy percent of flooding in Utah in the past few years has been outside of the Special Flood Hazard area.
- Twenty percent of all flood insurance claims come from properties outside of the high-risk flood areas.
- Floods are caused by storms, melting snow, water backup due to inadequate or overloaded drainage systems and broken water mains.

calculate the **VALUE**

- The average property owner can purchase flood insurance for typically less than \$2 a day.
- One inch of water in a home could cost more than \$26,000 in flood damage.
- In 2016, the average flood insurance claim paid to or filed by policyholders in the U.S. was \$62,000.
- The average individual FEMA disaster assistance grant is less than \$5,000.

prepare **EARLY**

- You can't control the weather, but you can prepare for it. Buy flood insurance before a flood happens, otherwise you won't be covered.
- Flood insurance policies typically take 30 days to go into effect. If you wait to purchase a policy until after a flood event threatens or occurs, your property won't be protected from the damage caused by that flood event.
- Most renters and homeowners insurance policies do not cover flood damage and flood insurance policies don't automatically renew.
- Flood insurance isn't just another monthly fee for owning or renting a home. It's an investment in the well-being and resiliency of your family.

how to buy **FLOOD INSURANCE**

- National Flood Insurance Program (NFIP) policies can be purchased through thousands of insurance agents nationwide. The agent who helps you with your homeowners or renters insurance may also be able to help you with purchasing flood insurance.
- If your insurance agent does not sell flood insurance, you can contact the NFIP Help Center at **800-427-4661**. NFIP flood insurance policies can only be purchased for properties within communities that participate in the NFIP. Ask your agent if your community participates or look it up online in the FEMA Community Status Book.
- For individuals who are deaf, hard of hearing or have a speech disability, call 711 (TTY and other services are available). For Video Relay Service, please call 1-866-337-4262.

UPCOMING PROJECTS

There will be two major street re-construction projects starting soon.

1) Orchard Drive North: Beginning at Eaglewood Drive and going north to the City limit line (near the old Winegars grocery store).

In addition to new asphalt, bike lanes will be installed.

2) Orchard Drive South: From Center St. south to the Eagleridge roundabout, this project will include new curb and sidewalk on the east side of the street and new asphalt.

More information will be forthcoming on these projects.

Thank you for your patience as we continue to provide essential city services.

EAGLEWOOD GOLF

The course is in beautiful shape, and we are excited about another great golf season! Watch for more info on men's, women's and junior leagues or call 801-299-0088.

VITA TAX PREP

The Volunteer Income Tax Assistance (VITA) program provides income tax assistance

to low-income individuals. VITA volunteers are at City Hall on Mondays between 3 and 8 pm until April 15th.

RECYCLING

Recycling 2019

Davis League of Women Voters will present a public program on updated issues about recycling. Our panel of experts includes County Commissioner Bob Stevenson, Morgan Borrowman from Wasatch Resource Recovery, which just opened a plant to convert waste food into energy in North Salt Lake; and a representative from Clearfield Recycling, a private recycling business. Our panel looks forward to answering your questions about more effective recycling.

Families are welcome.
