LIBERTY FEST THANK YOU

You may have noticed this beautiful photo on Facebook and in our newsletter cover image above. Thank you Bryant Shoblom for sharing this great fireworks shot taken from Wild Rose Trail on July 3rd!

To Mayor Arave, NSL City Council, local business sponsors, resident committee volunteers, awesome city staff (special shout-out to Public Works, Police, Recreation) and to all of our residents, THANK YOU for making our 2021 Liberty Fest the best ever!

We're excited about Liberty Fest 2022! If you want to get involved, please email us at nslstaff@nslcity.org

WATER CONSERVATION

So far, our pleas to conserve water are working! Together our efforts have saved over 39,000,000 gallons from where we were last year at this time, but it's not over. Keep up the good work, and remember that the goal during extreme drought conditions isn't lush landscapes but rather "survival watering" to keep high-value plants alive like trees and shrubs. Find out more below.

GARBAGE RATE INCREASE

As noted on your last bill, residents will pay \$0.94 more per can for regular solid waste beginning August 1st. Recycling will NOT be affected.

This increase is necessary to cover the contract cost with the City's waste hauler, ACE Disposal.

EAGLEWOOD LOOP CONSTRUCTION

Work is progressing on the Eaglewood Loop secondary water line and road reconstruction project. This is an extensive project expected to last several months. Sign up for project updates at www.nslcity.org. Locate the orange "Notify Me" button in the middle of the page and choose "2021 Eaglewood Loop Construction Updates."
