LAND USE PERMIT- COMMERCIAL FENCING

Commercial fences greater than 6 feet tall will require in addition to this application, a building permit.

The land use permit is a zoning ordinance compliance review only. No structural construction will be reviewed or approved.

No fee will be charged for the land use permit. No site inspections will be made for the construction.

Permit holders are responsible for construction fence in accordance with the approved zoning review.

ACKNOWLEDGEMENT OF RESPONSIBILITY

- I understand that it is my responsibility to comply with the zoning regulations stated upon this permit for placement of a commercial fence.
- I understand that I should retain a copy of this Land Use Permit as evidence of approved placement and zoning clearance for the fence.
- I understand that this zoning clearance is **not** an acknowledgement by the city as to the accuracy or location of a property line, which can only be established by a licensed surveyor.
- I am the Owner of the property or Authorized Representative (Contractor) & this application should be processed in my name and I am a party whom the City should contact regarding any matter pertaining to this application.
- I have read and understood the minimum zoning requirements for the placement of commercial fences.
- The site plan I have submitted accurately reflects the location I intend to construct/place my fence.
- I understand that it is my responsibility to contact abutting property owners regarding fences along shared property lines.
